Dear Sir/Maam,

We are interested in opportunities that available in your AIIMS hospital for dedicated volunteers as we are planning to deploy 2 volunteers initially at the Hospital. As a long-time Healthcare of the needs and welfare of the needy people in our community, we have experience volunteers working with senior citizens, Patients & kids and would be thrilled to continue to do so in a volunteer capacity.

We volunteered as an aide on many events and enjoyed being able to help people with health and education. We assisted program participants with recreational projects, contributed to program planning and strategy sessions, and accompanied group field trips to healthcare events. We also participated in fundraising activities for the needy people.

We would be thrilled to have the opportunity to assist you. We would make our volunteers be available at your convenience.

We look forward to your officially confirmation on the same.
